From the Diocese:

The Solemnity of Corpus Christi: This weekend, the Church commemorates one of the most significant solemnities in our calendar: the Solemnity of the Most Holy Body and Blood of Christ, commonly known as Corpus Christi. This holy feast honours Jesus Christ, who is really, truly, and substantially present under the appearances of bread and wine.

We are conducting this survey to gather feedback from you, the parishioners, on your spiritual growth and experiences in the following focus areas of the Diocesan Pastoral Renewal to form missionary disciples in Christ; to be a Church of encounter and witness and to strengthen family life.

Parishioners aged 18 and older are invited to participate in the Pastoral Renewal Survey. The survey is designed as a tool for us to reflect on our discipleship journey. It will also equip our parish leadership with insights to make informed decisions, fostering the growth of our faith and community. Your voice matters! Help shape the future of our parish community and our journey of discipleship.

(Most Holy Body and Blood of Christ)

From the first time Abraham heard the Word, the people sought to offer sacrifices. The ancient Israelites were not alone in this custom; most ancient Near Eastern religions had some variation of this tradition. The problem with offering sacrifices to atone for impurities and imperfections, however, is that nothing stays purified permanently. And the God of Abraham and Sarah ultimately desires mercy not sacrifice, forgiveness rather than atonement. And so, this God shows up in body and blood, an infant growing into a man, to offer us a human and divine self for our redemption and example. As the second reading indicates, once Jesus' blood is offered, no other sacrifice could ever compare. One death so that all could have eternal life. And more, this living and dying and rising is an invitation for us to offer ourselves back.

The One who gave a name to Abraham, whispered to Moses from the burning bush, inspired Esther, breathed a baby into Mary has only ever wanted us as we are in love. This feast celebrates the way that God holds nothing back from us, gives us all of Jesus, so that we might respond with nothing less than all of our-selves. May it be so.
